Every pet deserves

Welcome

Thank you for insuring with Petplan, we're delighted you and your pet are part of the family.

As the world's No.1 pet insurer, we know that owning a pet is full of highs and lows. For more than 45 years, Petplan has helped millions of pets through illness and injury. That's why we're the UK's favourite, insuring over 1.3 million pets - more than any other provider.

If the unexpected happens and you need to make a claim, rest assured we will make it quick and easy for you, so you can focus on your pet's treatment and recovery. Our speedy, digital claims enable you to get the best care for your pet fast.

Petplan was started by a pet owner who realised there was a need for insurance to help cover the cost of vet bills. Over 45 years later our approach remains the same - we want you to claim if your pet needs treatment and we never charge more for claiming. The price of your plan will increase as your pet gets older, but you won't pay more for claiming.

The details of the cover your policy provides are included in this booklet as well as useful information to make claiming as straightforward as possible.

We are here to support you and your pet if you need us.

Claims Pricing Guarantee

Claims Pricing Guarantee

We guarantee that **we**'ll never charge **you** more for claiming. **Your** price will increase every year as **your pet** gets older, but with Petplan **you** won't pay more for claiming. In fact, if **your pet** needs treatment **we** want **you** to claim.

Our pricing approach is different to most other pet insurance and one of the reasons why most of customers renew each year.

How your premium will change

Your premium will increase every year. This is because of a number of factors, such as the greater risk of illness as **your pet** gets older and the cost of vet bills increasing over time.

Your premium could rise significantly but **our** *Claims Pricing Guarantee* means that **we**'ll never charge **you** more for claiming. This is why, if **your pet** needs treatment **we** want **you** to claim.
